# JAWED SIR'S BIRTHDAY MONTH

**JH** JAWED HABIB®  
HAIR & BEAUTY LTD.

CELEBRATING  
**FOUNDER'S**  
26<sup>TH</sup> JUNE *Day*

“ On the occasion of his Birthday, Jawed Habib, our founder has requested all of us to plant at least one tree in our personal capacity and avoid cake-cutting!

Jawed Sir strongly believes in the environmental benefits of planting trees and their philosophical impact. It brings people together. You work together to take care of the plant, which eventually grows, bears fruits, and brings prosperity!

A simple act of tree planting is a great step towards an environmentally conscious and sustainable lifestyle.

Today, plants and trees are very important in workspace design. They have a naturally soothing vibe. They absorb noise, cool the environment and somehow make the surroundings comfortable. Thus it can add to the ambiance of our work environment as well.

Trees are a fantastic resource of oxygen. They help reduce our carbon footprint, prevent flooding and soil erosion and reduce air pollution to improve air quality!

Do consider joining such a noble cause, it is the best gift we can give to Jawed Sir! Don't forget to share pictures! We would love to showcase you on our social media platforms & JH Team!
