This month, as we celebrate Republic Day, let's draw inspiration from the values of freedom, unity, and hard work that define us as a nation—and as a team.

I'm excited to share some updates for 2025:

- **Modernized Salons:** Fresh aesthetics and customer-centric layouts to elevate the in-store experience.
- **Dynamic Branding:** Bold new boards and signage for a standout look.
- **Professional Uniforms:** Stylish and comfortable attire, reflecting the professionalism of our team.

We also celebrated a major milestone with our 100th online training session, bringing together all our academies for a spirited competition. Kudos to everyone involved in making it a success!

# Celebrating Our Backbone

## THE ACCOUNTS TEAM

This month, we take a moment to shine the spotlight on two exceptional members of our accounts team: **Jyoti Sankhala** and **Rohini Parab**. These diligent professionals play a pivotal role in ensuring our company operates smoothly, day in and day out. From meticulously managing financial records to ensuring compliance with ever-evolving regulations, Jyoti and Rohini exemplify accuracy and dedication. While Jyoti is a senior accounts manager and overlooks the various accounting needs with units all over the country, Rohini handles the day to day operation, ensuring all financial records are safe and secure. Their behind-the-scenes work ensures that every department can function without a hitch, and their attention to detail safeguards the integrity of our operations. The accounts team, often the unsung heroes of any organization, provides the foundation for sustainable growth.

**Jyoti** and **Rohini** embody the core values of our company with their unwavering commitment, reinforcing that a strong and diligent accounts team is not just important—it's indispensable. **We extend our deepest gratitude to Jyoti, Rohini,** and the entire accounts department for their tireless efforts and the significant role they play in keeping the wheels of our business turning!

## Republic Day Celebration at JH

We celebrated Republic Day with great enthusiasm and team spirit! The day was packed with fun activities, starting with a lively game of Dumb Charades that had everyone laughing and guessing. This was followed by an exciting round of Housie, where the competitive energy and camaraderie brought everyone together.

To add a touch of flavor to the celebration, we indulged in delicious tricolored cupcakes and burgers, specially crafted to represent the essence of the day. The vibrant colors and delectable treats perfectly complemented the patriotic spirit of the event.
