**DECEMBER 2024 | VOLUME 10**

**Dear JH family,**

As the Indian wedding season begins, we're all excited to celebrate the joy, love, and beauty these special occasions bring! Whether you're a bride, bridesmaid, groom or guest, your hairstyle plays a key role in completing your look. From classic updo to relaxed waves, the right style can make all the difference. But let's not forget that beautiful hair starts with healthy hair. As we navigate through the busy season, it's important to protect our strands from a new danger we are facing in India: pollution and smog.

Here are a few tips to keep your hair looking its best:

**Hydrate and Protect:** Use nourishing hair care products to lock in moisture and shield your hair from environmental damage. Preconditioning with oil is best.

**Choose a Style that Suits You:** Pick a style that works with your natural texture and suits the occasion. This will reduce use of excessive styling products.

**Add Shine:** Finish with a lightweight shine spray for a polished, elegant look. For an even more natural look, water works too!

Let's embrace this season of celebrations, and remember, healthy hair is the foundation of every stunning hairstyle.

Wishing you all a season of love, laughter, and gorgeous hair!

**Cheers!**

# DYNAMIC DUO

## ARVIND & RAVI

In the dynamic world of beauty and grooming, true leaders shine by inspiring others. This month, we proudly celebrate Arvind Kumar and Ravi Gupta, our master franchisees excelling across multiple states under their company name BiZeal Services.

Since joining the JH family in 2013, Arvind and Ravi have driven success with plain, simple hard work and a passion for excellence, expanding our brand and delighting countless customers. This year, they've taken on new roles as Operational Partners in Rajasthan and are spearheading our international debut in Nepal, aiming for double-digit growth within the first year.

We thank them for their outstanding contributions and wish them continued success as they build an inspiring legacy with us!

We are thrilled to announce the opening of our academy at Central Jail, Mandoli, with its first batch of 15 students. This initiative aims to empower the inmates with valuable skills and job opportunities, fostering positive reintegration into society and steering them away from a life of crime again.

# Winter Hair Care Tips

## Moisturize & Hydrate:

Use a Hydrating Shampoo & Conditioner. Apply a deep conditioning mask once a week to restore moisture. Use leave-in conditioners or serums to prevent dryness and add shine.

## Prevent Dryness:

Avoid excessive use of blow dryers, curling irons, or straighteners. If needed, use a heat protectant.

## Do Pre-Conditioning:

Use oil or conditioner as a pre-conditioner before shampooing your hair. Use 1 hour before hair wash and don't keep it overnight. Use Lukewarm Water. Avoid hot water as it can dry out your scalp and hair.

## Scalp Care:

Regular scalp massages improve blood circulation and promote healthy hair growth.

## Avoid Breakage:

Detangle Gently. Use a wide-tooth comb and detangle carefully to prevent breakage. Trim regularly. Get regular trims to avoid split ends, which worsen in dry conditions.

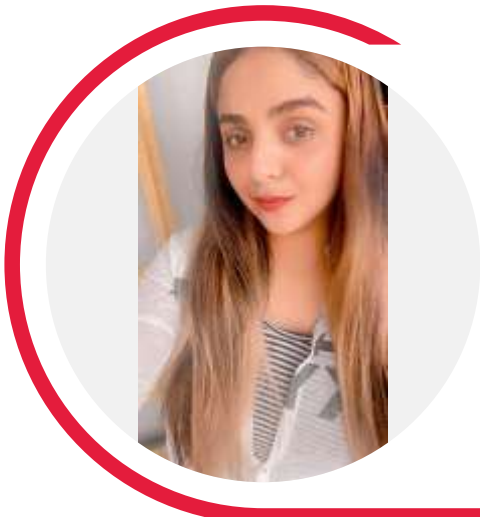

## Every Vote Counts

The JH family fulfilled its highest moral responsibility by casting their vote in Maharashtra!

## Happy Birthday Sushiel

An employee, a friend, a mentor, a team player- Sushiel has played all and more such roles in the last 15 years with JH. Wishing him a very Happy Birthday and many more decades of growth!

## Karishma Rohra

A warm welcome to Karishma Rohra who joins us as our Social Media Manager this month!
